The Community Development Committee of City Council will hold a public meeting on May 17, 2005 commencing at 4:00 p.m. in the Council Chambers, Level 2, City Hall, 426 Brant Street to consider a proposed Official Plan Amendment and rezoning under Sections 22 and 34 of the Planning Act.

The City of Burlington has received applications from Wal-Mart Canada Corp. to re-designate and rezone property located east of Brant Street and north of Fairview Street as shown on the attached Location/Zoning Sketch No. 1.

The purpose of these applications is to permit the development of a large retail warehouse, with approximately 12,000 m<sup>2</sup> of floor space, as shown on the attached Detail Sketch No. 2. The property is presently zoned MXR – Mixed Use Corridor Retail, which permits a wide range of retail, service commercial, financial, office, entertainment, recreational and medium and high-density residential uses. Retail warehouses are permitted with a gross floor area between 1800 m<sup>2</sup> and 5600m<sup>2</sup>. A large retail warehouse, defined as “a building where a single user occupies a minimum gross floor area of 5600m<sup>2</sup> and where the principal use is the sale of products displayed and stored in one and the same area”, is prohibited.

City staff have reviewed these applications in conjunction with all comments received from the area residents and various public agencies, and will be recommending approval of the amendments.

The staff report containing the proposed Official Plan Amendment and zoning amendment, as well as additional information concerning the proposed amendments, will be available to the public for inspection at any time on or after May 3, 2005 and may be obtained from the City Clerk's Department on the Main Level, City Hall. In addition, the staff report will be contained in the Community Development Committee Agenda, which will be available on the City's web site two weeks prior to the meeting, at <http://www.burlington.ca>, under “Meeting Calendar”.

If you require any additional information regarding these applications, please contact me at the above number.
