

oh hai... I
I'm just testing to see if I
can get meaningful output
from this printer.

we're supposed to use tiny fonts here for
best effect. i don't think this will ever be
widely used in word processing except by
the completely mental.

AND THEN THERE'S THIS WHICH FOR
SOME REASON THE WEB COMPLETELY
FLIPS OVER. TO ME, IT'S JUST SOME
FAUX OLD GUFF, BUT I'M JUST THIS
GUY, YOU KNOW...?

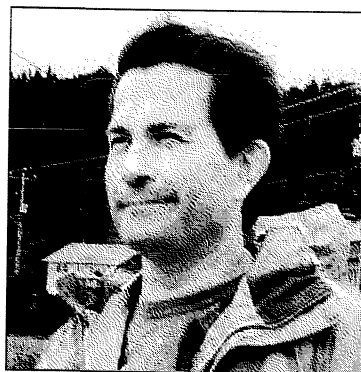

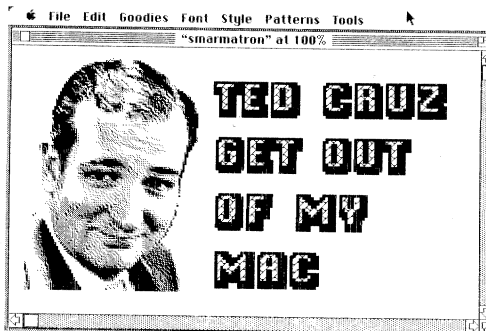

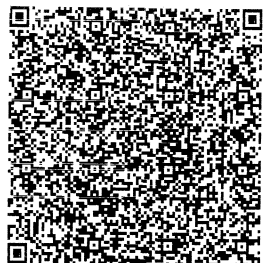

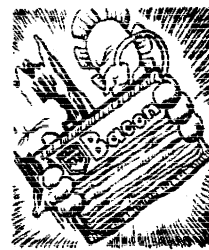

POIT POIT PKOW!!!
